6. Cattle will be subjected to practical test as to their power of draught, etc., before they are decided of deserving of prizes of different classes. The test will be conducted by the judges as follows:—

(a) *Ploughing bullocks.*—The cattle allowed to compete will be put to actual demonstration by making them to work at ploughs in a neighbouring selected field and prizes will be awarded in order of merit to cattle ploughing a larger extent.

(b) *Draught bullocks.*—These also will be similarly tested by making them to draw carts containing a suitable weight say about 40 local maunds of things.

(c) *Dâwk bullocks.*—These will be tested actually by yoking them to conveyances with a sufficient number of persons seated therein and driving them as far as a specified distance.

7. Selection of prizes will be made by a Committee of experienced and influential representatives of raiyats that assemble at the place with the Vice-President of Harihar Taluk Board as Chairman. Prizes will be distributed at the close of the show.

8. Every prize winner will receive a certificate in addition to his prize in money or in the form of a medal.

9. In the absence of an eligible exhibit the prize awardable thereto will be withheld or awarded for any other exhibit of sufficient merit.

10. The owners of cattle for the show are expected to take due care of their animals and guard against accidents.

11. A fee of one anna will be levied on each head of cattle attending the jatra.

12. A register will be opened in which the description of prize winning cattle, etc., will be entered in detail so that the same cattle may not be brought to compete in the show for three years to come.

MAHOMED ZAHIRUDDIN MECCI,
Deputy Commissioner.

ENGINEERING DEPARTMENT.

GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

Notice dated March 1918.

Applications are invited for licenses to execute electrical installations in Mysore and Bangalore City and the Civil and Military Station, Bangalore, for the year 1918-19. The application will be received up to 12 noon of the 15th April 1918 by the undersigned.

S. G. FORBES,
Chief Electrical Engineer to the Government of Mysore.

WATER-SUPPLY DIVISION.

Notice.

Tenders for the supply of 57 of 16" diameter and 12 feet lengths and 161 of 15" diameter and 12 feet lengths cast iron spigot and socket turned and bored pipes will be received by the undersigned up to the 15th April 1918, as per specification noted below which can be obtained from undersigned on application.

2. Each tender should be accompanied by a deposit of Rs. 1,500 in Government currency notes only as earnest money and should be sent in a sealed cover superscribed "Tenders for the supply of 15" and 16" diameter cast iron spigot and socket turned and bored pipes."

3. The final acceptance of the tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

4. Within eight days of the accepted tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be cancelled and his earnest money forfeited.

5. The name of the successful competitor, whose tender has been accepted will be posted on the "notice board" in the undersigned's office in the usual course and no enquiries regarding the acceptance or rejection of a tender, will receive any reply.

6. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
